SELECTION PROCEDURE

Members of the Sudler Arts Prize Committee, composed of faculty and administrators from the Homewood campus, the Peabody Institute, and the School of Medicine, review all materials submitted and recommend a candidate to the president.

Under the terms of the Sudler Prize, the president makes the final selection and notifies the winner, whose name appears in the commencement program. The Sudler Prize winner receives a check for \$1,500

The Sudler Arts Prize Committee simultaneously considers candidates for the President's Commendation for Achievement in the Arts, which is a service award to honor a graduating undergraduate senior in the Krieger School of Arts and Sciences, the Whiting School of Engineering, or the Peabody Institute who has contributed extensively to the arts in the Homewood and/or Baltimore communities. The winner of the President's Commendation receives a certificate and his or her name also appears in the commencement program.

Students who wish to be considered for both the Sudler Arts Prize and the President's Commendation must submit two separate applications.
